

APPLICATION FOR EXAMINATION PROPANE AND NATURAL GAS TECHNICIAN

Department of Professional and Financial Regulation
Office of Licensing and Registration

PROPANE AND NATURAL GAS BOARD

35 State House Station
Augusta, ME 04333-0035

Office Telephone: (207)624-8606
Hearing Impaired: (207) 624-8563
Webpage: www.MaineProfessionalReg.org

Office located at: 122 Northern Avenue, Gardiner, Maine

APPLICATION INSTRUCTIONS

Examination and License – Propane and Natural Gas Technician

COMPLETING THE APPLICATION FORM – Answer all questions and return the following to this office:

- License application and examination registration application with two separate payments. The following fees are required: (1) Application fee in the amount of \$20.00 and (2) Examination fee in the amount of \$50.00 per exam.
- Affidavit (if applicable) signed by a licensed Propane and Natural Gas Technician verifying required skills has been completed

Incomplete applications will be returned.

QUALIFICATIONS – The Propane and Natural Gas Board issues one Propane and Natural Gas Technician license with endorsements as follows:

- **Delivery Technician** – This endorsement is required for persons who deliver propane at a customer's location. This endorsement is not required for a delivery technician to operate a motor vehicle.
- **Plant Operator** – This endorsement is required for persons who work at a bulk plant and handle propane and propane equipment.
- **Tank Setter and Outside Piping Technician** – This endorsement is required for persons who set and maintain propane tanks and outside piping.
- **Appliance Connection and Service Technician** – This endorsement is required for persons who install and service propane and natural gas appliances and indoor piping up to 500,000 BTUs per appliance.
- **Large Equipment Connection and Service Technician** – This endorsement is required for persons who install and service propane and natural gas appliances and indoor piping over 500,000 BTUs per appliance.

Any person working as a technician in the propane or the natural gas industry before January 1, 1996 is deemed qualified to sit for the examination.

Persons entering the propane and natural gas industry after January 1, 1996 must complete a Board approved training program to be deemed qualified to sit for a license examination; however, a license will not be issued until the applicant has completed Skills as evidenced by the Skills affidavit. Applicants must notify the Board of completion of Skills within one (1) year from date of examination or the examination will be null and void.

In order to become licensed with the Large Equipment Connection and Service Technician endorsement, an applicant must either:

- Hold a license as a technician with the Appliance Connection and Service Technician endorsement and pass the Large Equipment Connection and Service Technician examination; or
- Present proof to the Board of passage of the Basics and Appliance Connection and Service Technician examination and pass the Large Equipment Connection and Service Technician examination.

EXAMINATION WAIVER – Any person who has successfully completed and passed the National Propane Gas Association's Certified Employee Training Program (CETP) shall not be required to sit for the examination.

STATE OF MAINE

PROPANE AND NATURAL GAS EXAMINATION BULLETIN OF INFORMATION

Eligibility and Examination Registration

Eligibility to take a license qualification examination is determined by the Propane and Natural Gas Board of the State of Maine and the Department of Professional and Financial Regulation. For Applications and detailed information about eligibility requirements, contact:

Propane and Natural Gas Board
Office of Licensing and Registration
35 State House Station
Augusta, Maine 04333
Phone: 207/624-8606

www.maineprofessionalreg.org

For questions concerning examination registration or examination scheduling contact:

Experior
1260 Energy Lane
St. Paul, MN 55108
Phone: 1-800-813-6671
www.experioronline.com

Application and Fees

Send the following items to the Propane and Natural Gas Board at the Augusta address:

1. Your application for licensure and exam registration form;
2. \$20.00 application fee, in the form of a cashier's check, personal check, credit card, or money order, made payable to the **Treasurer of the State of Maine**; and
3. Examination fee of \$50.00 for each examination requested, in the form of a cashier's check, money order, or credit card made payable to **Experior**. **No personal checks accepted.**

The Examination Process

1. Complete your application and submit it with your examination registration form with the appropriate fees to the Propane and Natural Gas Board.
2. The Board will forward all approved candidate examination applications to Experior for examination scheduling.
3. Experior will process all candidate examination application forms and mail each candidate an

examination admission letter approximately two weeks before the examination is administered. This letter will explain the date, time, site, and what to bring to the examination.

4. Experior administers this examination and notifies each candidate of his/her score. **No scores are given over the telephone.**

Your score is confidential and will **NOT** be released to anyone other than you and the Board. Your score will be mailed to you **approximately 15 working days after your examination.**

5. Each passing candidate will receive detailed information regarding what documents and fees must be submitted to the Board to receive licensure.
6. A candidate who does NOT pass will be notified of procedures for retesting.

Notify both Experior and the Propane and Natural Gas Board of any change of address.

Candidates with Special Needs

If a physical handicap or other special need prevents you from taking the examination under normal conditions, you may request a special arrangement form. Submit medical documentation of your handicap to Experior along with your registration form and fee.

Examination Dates, Deadlines and Locations

Deadline Dates	Examination Dates
October 1, 2004	November 13, 2004
November 26, 2004	January 15, 2005
January 28, 2005	March 12, 2005
April 1, 2005	May 14, 2005
May 27, 2005	July 9, 2005
July 1, 2005	August 13, 2005
July 29, 2005	September 10, 2005
September 30, 2005	November 12, 2005

The examination will be administered in the general area of Augusta and Presque Isle.

Admission to the Examination

Experior will send an admission letter to each approved candidate who has paid the correct examination fee before the deadline. The admission letter will show the name of the examination registered for and the specific date, time, and location of the examination. The admission letter will be mailed approximately two weeks before the examination.

Only pre-registered candidates are admitted to the examination. No walk-in applicants are admitted.

A candidate who does NOT appear for the scheduled examination will **forfeit** the examination fee. A candidate who arrives after the examination supervisor has started the instructions **may not be admitted**.

If you lose your admission letter, or have not received an admission letter two days before the examination date, **contact Experior immediately at 508.624.0826**.

What to Bring to the Examination

You must bring your admission letter and official photo identification (such as a driver's license or passport). You will **not** be admitted to the examination without an official photo identification.

The only materials allowed during the propane and natural gas licensing examinations are:

1. *NFPA 54 and NFPA 58*, National Fire Protection Association. (**No loose or attached (taped, stapled, etc.) notes are allowed in your Code book**);
2. Two sharpened #2 pencils with erasers to mark your answer sheet, and
3. A silent, battery-operated, nonprinting, nonprogrammable, calculator.

Score Information

Your score is based on the number of questions you answer correctly. You will NOT be given credit for any question that has been answered incorrectly, left blank or has more than one answer marked. Be sure to mark an answer for each question. There is no penalty for guessing.

Your score will be mailed to you 15 working days after your test date. All scores are mailed simultaneously. **To ensure confidentiality, test scores are NOT, under any circumstances, given over the telephone.**

If you pass your examination, you will be sent information regarding the next step in the licensure process. If you do NOT pass your examination, you will be sent an examination retake form with your score letter. Complete and return the retake form

and examination fee to Experior. If you have scheduled to take an examination and you do not attend the examination, you will be sent information on rescheduling your examination.

The minimum score required to pass each examination is:

Basic	70%
Delivery Technician	70%
Plant Operator	70%
Appliance Connection and Service Technician	70%
Tank Setter and Outside Piping Technician	70%
Large Equipment Connection and Service Technician	70%

Copyrighted Exam Questions

All test questions are the copyrighted property of Experior Assessments™, LLC. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these test questions by any means, in whole or in part, without our written permission. Doing so may subject you to severe civil and criminal penalties, including up to five years in prison and/or a \$250,000 fine for criminal violations.

Examination Review

If you did not pass an examination you will be given the opportunity to review your examination. The review will allow you to see the examination questions you answered incorrectly. The review is not for the purpose of teaching examination subject matter, and it will not be accepted as an appeal of exam results.

If you are unsuccessful in passing the examination a review application will be sent to you with your personalized score letter. If you would like to review your examination, you must return the review registration form to Experior with a \$50.00 cashier's check or money order payable to Experior.

Description of Examinations

Examinations are open book, multiple-choice format. Some questions may refer to a figure drawing, table or chart in the examination booklet. You are allowed three hours to complete each examination.

The examination categories are:

Basic Examination – 125 questions.

Delivery Technician Examination – 125 questions.

Plant Operator Examination - 125 questions.

Appliance Connection and Service Technician Examination – 125 questions.

Tank Setter and Outside Piping Technician –
125 questions.

**Large Equipment Connection and Service
Technician Examination** - 100 questions.

A Board approved training program must be successfully completed for persons who began work in the propane and natural gas industry after January 1, 1996. Complete this section by listing all Board approved training programs you have completed, and submit proof of completion by submitting a certificate that you have successfully completed the program. Applicants beginning work in the industry after January 1, 1996 who have not completed an approved training program will NOT be considered for approval.

[illegible]

EMPLOYMENT RECORD: In the space provided below, please furnish a record of employment you have had as a Technician in the Propane and Natural Gas Industry. Describe in detail the type of propane and natural gas work you have performed in each position, including any special duties you have undertaken and any unusual responsibilities you have assumed. Use your name as it appears on the company's payroll if different from that given on this application. If more space is needed, attach an 8 ½ x 11 sheet of paper to this application.
